

FIVE-DAY BOARDING FROM BLUE RIDGE SCHOOL

AN ALTERNATIVE APPROACH TO TRADITIONAL BOARDING

FIVE-DAY BOARDING AT BLUE RIDGE SCHOOL

An Exciting Alternative Approach to Our Traditional Full Boarding Model

Blue Ridge School's new five-day boarding option offers an alternative approach to its traditional full boarding model, giving students the same immersive learning benefits as seven-day boarding with the ability to return home on the weekends.

Five-day boarding is offered at a reduced tuition rate and is comparable to or less than most private, independent day schools in Northern Virginia and other metropolitan areas.

How It Works

Five-day students can depart campus as early as 3pm on Fridays and return by 5pm Sunday for dinner and study hours.

Five-day students may remain for Friday and/or Saturday evenings any time for an additional fee. There are seven closed weekends during the calendar school year when five-day students will remain on campus for important, Blue Ridge School culture-building events for no additional cost. If a five-day student is competing in a Saturday academic or athletic event, that additional overnight will also be included at no additional cost.
